Is There Power in Forgiveness? A. D. Players Asks the Question in **Ref.**

Houston, TX: A. D. Players concludes its Faith Series, with **Ref.**, an intricately written and powerfully involving play about a playwright whose characters literally come off the page to confront him with the anger and bitterness distorting his life. **Ref.**, titled after the symbol on a typewriter return key, echoes the book of Hosea's restoration theme and explores the truism that sometimes going back is the only way forward. Written by A. D. Players' Artistic Director Jeannette Cliff George with music by Steven Jones, **Ref.** will preview February 17 and 18, open on February 19 at 8:00p, and run through March 28.

Ref. runs February 19 - March 28. Showtimes are select Wednesdays (2/17, 2/24, 3/3) at 7:30pm; Thursdays at 7:30pm; Fridays and Saturdays at 8:00pm; and Sunday Matinees at 2:30pm with a Saturday Matinee at 2:30pm on March 13.
